How about Monday, Nov 3 from 9-10:30 at the EPA office in Lenexa? Let me know if that works for you.
Thanks - I look forward to our discussion!

That sounds good. I can come to your offices too. I work from home in Olathe, so travel time is 10 minutes. The week of October 27, I am only in the office on Monday, Oct 27. November is looking less busy.

Terrie,

Yes, we need to have a call. However, I am out of the office on leave until Oct 27. Let's plan to touch base during that week. After the CAG meeting last Tuesday, we are certainly rethinking our engagement with that group.
Current efforts have not been productive.

Hi Mary,

Would you like to meet sometime and talk about WLL? I think TASC can be more helpful to EPA, especially with community education.

Thanks.
